

BOOTS FOR BUDDIES

Capital Soccer Club's donation program that partners with communities around the world to share in the beautiful game.

Capital Soccer Club is proud to announce it's new program, *Boots for Buddies*. With the 2019 spring season right around the corner and new gear being purchased in anticipation, Capital SC has created a program to donate lightly-used cleats, balls, and other gear to a partnering community. If you do not have any lightly-used gear but still wish to participate in the program, we have set up an [online site](#) where you can support the partnering communities with cash equivalent donations.

Our first partner community is the St. Simon Katuugo Catholic Parish in Uganda, ministered by Fr. Jude Ssewankambo. The parish is composed of 23 village chapels in the Kiyinda-Mityana Diocese in Uganda, with approximately 4 villages attached to each chapel.

Drop-Off Sites

There will be designated drop-off sites around Central Vermont to bring your lightly-used soccer gear that you would like to donate. Further, there will be a drop-off site at every team training session through March 2019.

Cash Equivalent Donations

No gear to donate? Donate the cash equivalent of soccer boots or other gear instead. We have set up an [online site](#) in which to donate or donate cash/check at one of our drop-off sites.

Donation Levels

- \$5 = shin guards
- \$10 = ball
- \$15 = full kit
- \$25 = pair of boots
- \$50 = goal
- \$100 = field
- \$250 = team sponsor

Capital Soccer Club is a 501(c)3 non-profit organization and is partnering with the St. Simon Katuugo Parish in Uganda, a Catholic, non-profit organization. All cash donations will be transferred to the Parish after shipping costs are deducted for the shipment of soccer gear. Acceptable gear are balls, jerseys, shorts, or matching pairs of soccer cleats. Any questions? Please contact Capital SC's Director of Community Outreach, John Dellipriscoli, at john.dellipriscoli@gmail.com.
