- **REQUIRED FORMS**: Golden Goal Park requires that each player submit acceptance forms as they check into the park. **PLEASE NOTE** that if a player arrives on the GG site, without the three required forms, their Directors will not allow players to participate. These forms (and direct Golden Goal Contact Information) can be found by going to <https://www.goldengoalpark.com/registration>. **All players must arrive with the following three documents filled out completely, and signed appropriately:**
- The Golden Goal Participation Waiver Form
- Health History Form

- Immunization Form. Golden Goal has mentioned that a current school immunization record, obtained from your child's school nurse can be used. **School nurses should have access to the Department of Health immunization registry and in most cases can print (or email) the document for you.**
- All chaperones and coaches in attendance must fill out the Participation Waiver Form and bring it (completed) to check in on Friday night
- In addition to the forms, the link above will also bring you to the **"Camp Information Package" and "Allergy Guideline Procedure"**. These documents will help you plan accordingly for what your players should bring to GG. **Please read them both carefully.**
- All Capital SC players should arrive with all soccer equipment necessary to play in the diverse and unexpected weather we get here in our region. This includes a ball, indoor & outdoor soccer shoes, shin guards, and the full Capital SC uniform kit (game jersey's, practice jersey, game shorts, and game socks). In addition, a wide selection of clothing for warm, dry, wet, and cold weather (field player gloves, hats, layered clothing, etc). We recommend bringing towels as well for post training session's showers. Please make sure your player comes prepared to play outside for the entire weekend, and that proper equipment and clothing is with them.
- Players stay in modest cabin units and as the information packet states, linens are not provided. For nighttime, players should bring extra blankets, a sleeping bag, pillow, and warm layers. The cabins are not heated units, please pack/plan accordingly.
- A trainer will be on site

It is going to be a packed weekend of soccer and we look forward to the time on the field with all of our players. Golden Goal is home to the area's finest facilities and we are excited about taking advantage of everything they have to offer.

Thank you very much for all your support of Capital SC

Sincerely

The Capital SC Staff
