BOOTS FOR BUDDIES & MONTPELLIER HSC JERSEY AUCTION

Capital Soccer Club is partnering with the Montpelier High School Boosters Club to auction off Montpelier HSC jerseys that were sent to the capital city in 2017 from the Ligue 1 club.

While the kit manufacturer was printing the jerseys that were meant to go to Montpellier, France, [they accidentally misprinted the logo and left out an "L" in the city's name](#). The club and French city graciously sent the misspelled jerseys to it's sister city in the United States.

Montpelier Public Schools received the jerseys and Skyped with the Mayor of Montpelier. The picture above shows Montpelier students (and many Capital SC players and Coach Lily Fournier!) modeling the donated jerseys.

Capital SC is facilitating the auctioning of the jerseys to raise money for the MHS Boosters Club as well as for the Boots for Buddies program. Contact john.dellipriscoli@gmail.com to purchase a jersey or donate to the Boots for Buddies program!

Jude with a suitcase full of soccer balls to [distribute throughout](#) the schools in the Parish on his return to Uganda!
